Meldreth	18 minutes
Shepreth	15 minutes
Foxton	12 minutes
Great Chesterford	16 minutes
Shelford	7 minutes

Services typically morning and evening only

Manea	31 minutes
-------	------------

Travel to the Campus from Cambridge Station is simple by foot, bike or bus.

By foot approximately 30 minutes:

Turn left out of the station, then the first turning to the right into Brookgate. At the next main junction turn left onto Hills Road which leads to the Campus.

By bike approximately 10 minutes

Taking a bike on the train to and from Cambridge can be difficult. If you intend being a regular cyclist in Cambridge a good option is to buy or hire a bike to keep in Cambridge. There is an excellent multi-storey cycle park to the right of the station exit, with space for 3,000 bikes.

For the Campus take the road left out of the station and continue off road straight besides the guided bus, turning left where the guided bus turns towards the campus.

By bus approximately 10 minutes

Turn left out of the station. Bus stops for the campus are about 100m on the left. There are frequent buses and you can take an **A** or a **U** bus, a **Green Babraham Road Park & Ride** bus or a **Citi 1** or **Citi 7** bus to Addenbrookes. Tickets can be bought on the bus and bus passes and **smartcards** can be bought in advance. If you buy a Plus-Bus train ticket this will also cover your bus travel to and from Campus.
