

INVITATION TO ALL CAMPUS BASED ORGANISATIONS

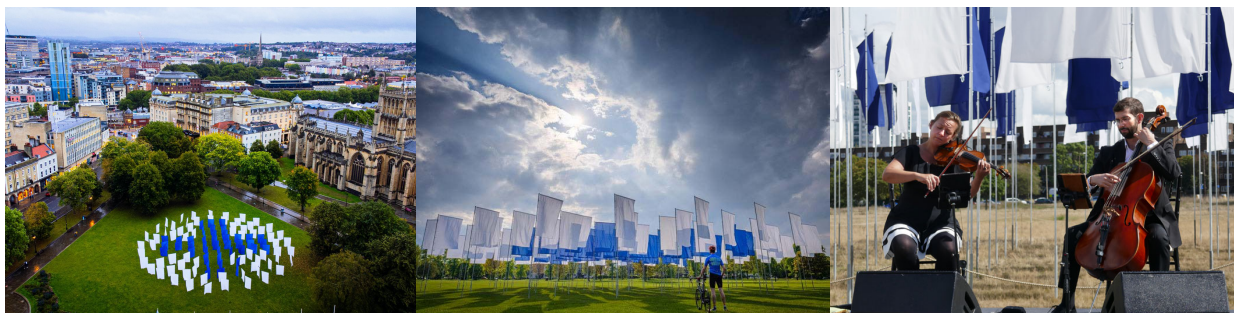

Hold an employee event or activity on The Green & The Gardens as part of *In Memoriam*

Spaces available: Thursday 16th June – Tuesday 12th July 2022

This summer 2022, Cambridge Biomedical Campus is hosting a fantastic art installation called *In Memoriam* on The Green & The Gardens at the heart of the campus. We're inviting all campus organisations to hold events and activities amongst the installation as part of a summer programme.

CBC has been at the centre of the global fight against the COVID-19 pandemic. *In Memoriam* is a temporary memorial to remember all those we have lost from the pandemic. It is also tribute to all the biomedical, health and care workers who have gone above and beyond in their work and dedication.

In the open air of The Green & the Gardens everyone here at CBC is invited to enter, contemplate, and explore the artwork, but also to **organise events and activities for colleagues**. The aim of *In Memoriam* at CBC is to create an inspiring place to gather and socialise safely, re-engaging in outdoor space to remember loss, but also to honour resilience and champion remarkable campus collaboration and support everyone has given each other. Created from over 100 hospital bed sheets, the flags are arranged in the form of a medical logo.
